

**WALK RIGHT BACK**  
**The Everly Brothers Story**

**WALKING RIGHT BACK TO A THEATRE NEAR YOU!**

Following an incredible sell out tour, **Walk Right Back** returns to stages in 2024 by popular demand. From the producers of smash hit show **That'll Be The Day**, this phenomenal production tells the story of the most successful musical duo of all time – **The Everly Brothers**.

Featuring hits such as *Bye Bye Love*, *All I Have To Do Is Dream* and *Cathy's Clown*, this unique concert-based musical entwines the wonderful, sad yet glorious story of The Everly Brothers.

The show follows the brothers' rise to fame from humble country beginning to superstardom, through their decade-long feud to their glorious reunion which gave them back to each other, and back to the world.

With “harmonies from heaven” that influenced The Beatles, The Beach Boys, and Simon & Garfunkel, The Everly Brothers were unmatched in their talent. Also featuring songs from a couple of the Everly Brothers' good friends, Buddy Holly and Roy Orbison.

**Producer Trevor Payne (*That'll Be The Day*) says:** *“The Everly Brothers were an original and unique act that had a sound like nothing else. Their harmonies were so tight that every group wanted to emulate them. Before that there was a singer, a band and backing vocals, The Everly’s entwined all of them and created “the harmony group.”*

**Walk Right Back** is the first show of its kind to tell this phenomenal story of two brothers and their unforgettable music. This is a show not to be missed!
