JASON FOX ANNOUNCES 2027 UK TOUR EXTENSION FOR *'EMBRACE THE CHAOS'* DUE TO DEMAND

No Third Entertainments today announces that adventurer, broadcaster, and bestselling author Jason Fox will extend his acclaimed live tour into 2027 with a brand-new run of UK dates for *Jason Fox: Embrace the Chaos*. Kicking off on 7th February in Southend, Jason will then take in a further 27 dates across the country before concluding in Dunfermline on 10th March. Tickets are now on sale via https://www.nothird.co.uk/live-shows/jason-fox/.

Following the success of his previous *Life At The Limit* tour, which captivated audiences nationwide, Jason returned to the stage earlier this year with *Embrace the Chaos* - an unflinching, inspiring, and deeply personal live show that takes audiences deep into the world's most extreme environments, and into the mindset required to overcome them.

In *Embrace the Chaos*, Jason shares never-heard-before stories from his extraordinary life: from close brushes with enemy gunmen, terrorist bomb makers and cartel leaders, to battling freezing Arctic storms and surviving high-stakes rescue missions. Known for his work as an elite Special Forces operator, documentary maker, and co-star of *SAS: Who Dares Wins*, Jason offers a rare and raw insight into what it takes to stay calm, focused, and resilient under unimaginable pressure.

But as Jason reveals, the most unpredictable and chaotic environments aren't always found on the battlefield - sometimes, they're much closer to home. With candour, dark humour, and trademark authenticity, *Embrace the Chaos* explores how to adapt, overcome, and ultimately thrive when life gets tough.

Using the principles forged in elite military operations, Jason will show audiences how to reboot their thinking, rebalance their lives, and push beyond their comfort zones. *Embrace the Chaos* is more than just storytelling - it's a mindset.

The evening will conclude with an audience Q&A, offering fans the chance to ask Jason about his life, adventures, and the lessons he's learned along the way.

Jason Fox is a former Royal Marine Commando and Special Forces Sergeant, who has since become one of the UK's most respected television presenters and adventurers. Best known as a lead instructor on SAS: Who Dares Wins which returns next year, Jason has also fronted hit documentaries such as Inside the Real Narcos and Return to Afghanistan. His bestselling books Battle Scars and Life Under Fire have inspired readers worldwide, and his work supporting veterans' mental health continues to make a profound impact.
